

Sacred Places Tour, October 2009

From glorious, ornate buildings spiraling toward the heavens to temporary earthen domes, the sacred places within our neighborhoods are repositories of spiritual wealth and wisdom. Discover the rich diversity of sacred places in Central Indiana and learn more about the faith communities that house our shared aspirations for peace and justice, promise personal sanctuary and community celebration, and nurture our relationship with the Divine.

Visit www.internationalinterfaith.org for directions and a brief description of each faith community. Please bring a monetary donation or non-perishable food items for the Interfaith Hunger Initiative (www.interfaithhungerinitiative.org) as admission to each event.
